Section 1. Rights of Owners. Every Owner shall have a non-exclusive right and easement of use and enjoyment in and to the Common Area for the purpose for which it is intended, subject to this District Declaration as it may be amended from time to time, any easements reserved therein or granted by District Declarant or Community Declarant, any restrictions, limitations, terms and conditions of the Community Declaration as it may be amended from time to time, and to any restrictions or limitations contained in any plat and in any deed conveying such property to the District Association or subjecting such property as Common Area to the District Declaration. Such non-exclusive right or easement is subject to (i) the right of the District Association to limit the number of guests of Owners or Owners who may use the Common Area from time to time; (ii) the right of the District Association to promulgate, establish and enforce reasonable rules and regulations pertaining to the use of the Common Area; and (iii) the right of the District Association to take such steps as are reasonably necessary to

maintain, preserve and protect the Common Area. Any Owner may delegate his right of enjoyment in and to the Common Area to the members of his family, his tenants, guests or invitees, as applicable, subject to reasonable regulation by the Board of Directors of the District Association and in accordance with procedures it may adopt. An Owner of a Unit who leases his Unit shall not be deemed to have delegated such rights to the Unit's lessee, except to the extent provided in the lease. No Owner may exempt himself from personal liability for or exempt his Unit or Unplatted Parcel from any Assessments duly levied by the District Association, or release the Unit or Unplatted Parcel owned by the Owner from liens, charges, encumbrances and other provisions of this District Declaration or the rules and regulations of the District Association by (a) the voluntary waiver of the right, privilege and easement for the use and enjoyment of the Common Area; or (b) the abandonment of his Unit or Unplatted Parcel.

Section 2. Front Yard Swale System. There is hereby reserved unto the District Association a blanket non-exclusive easement upon, over, across, and through each Unit for the purpose of maintaining, repairing and replacing that portion of the District Drainage System to which such Unit's Front Yard Swale System is connected, including, without limitation, a drainage structure and related underground drainage pipes, together with right of ingress and egress upon each Unit to effectuate such purpose. The Front Yard Swale System for a Unit typically drains to a drainage structure located in proximity to the boundary line between two Units, which drainage structure is a part of the District Drainage System. Each such drainage structure is designed and intended to serve the Front Yard Swale System for the Unit on which the drainage structure is located and the Front Yard Swale System for the adjacent Unit. Accordingly, there is hereby further reserved for the use and benefit of each Unit a non-exclusive easement over, across and upon that portion of the Front Yard Swale System of any adjoining Unit to the extent reasonably necessary to provide a drainage way to the District Drainage System's drainage structure which is located wholly or in part within such adjoining Unit, together with the right of ingress and egress in connection therewith to maintain such drainage way.

Section 3. Leasing. An Owner shall be allowed to lease his Unit or Unplatted Parcel, provided that any such lease shall require the tenant thereunder to comply with the terms and conditions of the District Declaration, Bylaws, Articles of Incorporation, Community Declaration, bylaws and articles of incorporation of the Community Association, and provided further that such lease and tenancy is otherwise in compliance with any rules and regulations promulgated by the District Association or the Community Association. No lease of a Unit or Unplatted Parcel shall be for a term of less than six (6) months, and any such lease shall be in writing and shall be enforceable by the District Association and the Community Association, whether or not so stated in its terms. During the term of any lease, Owner shall not be relieved of any obligations under the terms of the District Declaration and Community Declaration, and Owner shall be liable for the actions of his tenants which may be in violation of the terms and conditions of the District Declaration, Community Declaration, any rules and regulations thereunder and any other documents set forth above, notwithstanding the fact that the tenants are also fully liable for any violation of the documents and regulations. In the event a tenant, occupant, guest, invitee or person living with the tenant or occupant violates the District Declaration, Bylaws, Articles of Incorporation, the Community Declaration, the bylaws or articles of incorporation of the Community Association, or the rules and regulations of the District Association or Community Association, the District Association or Community

Association as appropriate, shall have the power to bring an action or suit against the tenant, occupant, guest, invitee and the Owner, or any combination of the foregoing, to recover sums due for damages or injunctive relief, or for any other remedy available at law or in equity.

Section 4. Time-Share Prohibition. No time sharing plan as the term is defined in Chapter 721, Florida Statutes (1993), as amended, or any similar plan of fragmented or interval ownership of Units or Unplatted Parcels shall be permitted on the District Property, and no attempt to create same by lease or otherwise shall be allowed.

Section 5. Board of Director's Rights. The Board of Directors, in its sole discretion, by resolution may extend permission to selected non-owners of any interest in the District Property, to use portions of the Common Area subject to such terms and conditions as the Board of Directors may impose.

Section 6. Withdrawal. District Declarant reserves the right to amend this District Declaration unilaterally at any time so long as District Declarant owns any land which is subject to this District Declaration, for the purpose of removing certain portions of the District Property then owned by District Declarant, its affiliates or the District Association from the purview, operation and effect of this District Declaration, provided, however, two-thirds of the Owners approve such amendment. For such an amendment to have effect, the Community Declarant must consent thereto and such amendment setting forth the withdrawal must be filed in the Public Records of Brevard County, Florida with the consent of the Community Declarant attached.

Section 7. Amendment. This Article shall not be amended without the written consent of District Declarant, unless District Declarant no longer owns any land which is subject to the District Declaration or subject to annexation to the District Declaration.

ARTICLE III District Association

Section 1. Objects, Purposes and Function. The District Association has been created and established for the objects and purposes of and shall have exclusive jurisdiction over and the sole responsibility for the administration, management, operation, regulation, care, maintenance, repair, restoration, replacement, preservation and protection of the Common Area and to the extent provided by agreement or otherwise of that portion of the Area of Common Responsibility which is not a part of the Common Area; the establishment, levy, imposition, enforcement and collection of all fines, charges and Assessments for which provision is made in this Declaration; the payment of all Common Expenses; and the promotion and advancement of the general welfare of the members of the District Association; subject in all cases to the right of the Community Association to act in the place and stead of the District Association, in the event the District Association fails to carry out its rights and responsibilities as provided under the District Declaration, the Articles of Incorporation and Bylaws; all as more particularly provided in this District Declaration and in the Articles of Incorporation, Bylaws and rules of regulations of the District Association.

Section 2. Duties and Powers. In addition to those duties and powers conferred by law and those specified and enumerated in the Articles of Incorporation and the Bylaws, the District Association shall have such duties and powers as are, respectively, imposed and conferred upon it pursuant to this District Declaration, including, without limitation, such duties and powers as may reasonably be implied from, necessary for or incidental to the accomplishment of the objects and purposes for which the District Association has been created and established. All duties and powers of the District Association shall be exercised by the Board of Directors unless otherwise provided in this District Declaration, the Articles of Incorporation and the Bylaws.

Section 3. Membership. Every Owner shall be deemed to have a membership in the District Association. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit or Unplatted Parcel owned. The membership shall not be refused, waived or surrendered, but voting rights and rights of use and enjoyment of the Common Area may be regulated or suspended as provided in this District Declaration, the Articles of Incorporation, the Bylaws and rules and regulations adopted by the District Association.

Section 4. Transfer of Membership. Membership in the District Association shall be appurtenant to and may not be separated from the ownership interest of an Owner in a Unit or Unplatted Parcel. The membership of an Owner in the District Association shall not be transferred, pledged or alienated in any way, except that such membership shall automatically be transferred and assigned upon the transfer of the ownership interest required for membership in the District Association. Owner agrees to immediately notify the District Association upon such transfer and to deliver to the District Association the address of the new Owner, and a copy of the deed conveying the Unit or Unplatted Parcel to the new Owner.

Section 5. Voting Rights. The District Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

(a) Class "A" members shall be all Owners with the exception of the Class "B" member, if any. Voting rights shall be allocated among Class "A" members as follows: (i) One (1) vote per acre or portion thereof shall be allocated to an Unplatted Parcel; and (ii) For those portions of the District which are subject to a Plat or are otherwise designated by District Declarant as a Unit, each Unit shall be allocated one (1) vote.

(b) The Class "B" member shall be the District Declarant. The Class "B" member shall have 800 votes until the Class "B" membership terminates and becomes converted to Class "A" membership. The rights of the Class "B" member, including the right to approve actions taken under this District Declaration and the Bylaws, are specified elsewhere in this District Declaration and the Bylaws. The Class "B" member shall be entitled to appoint the members of the Board of Directors during the Class Control Period, as provided in the Bylaws. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of:

(i) Upon the expiration of the Class "B" Control Period; or

(ii) When, in its discretion, the District Declarant so determines.

Section 6. Cumulative Voting. No cumulative voting shall be permitted.

Section 7. District. The District of which the District Property forms a part may have additional lands annexed thereto in accordance with the terms of the Community Declaration, including without limitation, the property described generally in Article VII, Section 1 of this District Declaration, and further may be modified subject to the terms and conditions of the Community Declaration pertaining to designation of Districts (as defined therein) and their reconfiguration. Those portions of the District not subjected to the terms and conditions of this District Declaration may, but shall not be obligated to, become a part of the District Property, in the sole discretion of the District Declarant. Such annexation of additional property into the District Property, if any, may be accomplished in accordance with the terms and provisions of Article VII hereof, and may or may not include if so determined in the sole discretion of the District Declarant and Community Declarant, lands located outside the District, all as further provided in Article VII hereof and as provided in the Community Declaration.

ARTICLE IV Maintenance

Section 1. District Association's Responsibility. The District Association shall maintain and keep in good repair the Area of Common Responsibility, such maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, restoration and replacement, subject to any insurance then in effect, of all landscaping and other flora, structures and improvements situated upon or under the Area of Common Responsibility, including but not limited to, the District Drainage System, the Recreational Lake, other recreational amenities, if any, drainage and irrigation systems, recreation and open space, utilities, private streets, medians, street lights, entry gates, features and signage, traffic control devices and pedestrian systems, and such other actions as may be required pursuant to the terms and conditions of any agreement of the District Association, the District Declaration and the Community Declaration. The District Association shall also maintain and keep in good repair such portions of any additional property not included within the Area of Common Responsibility as may be dictated by this District Declaration, or by a contract or agreement for maintenance thereof by the District Association or by a governmental entity or agency. In accordance with the immediately preceding sentence, the District Association shall maintain and keep in good condition and repair each drainage structure to which any Front Yard Swale System is connected. In the discharge of its responsibilities, the District Association shall comply fully with the Development Order and other Development Approvals to the extent relevant and applicable to the Common Area or the District Association's duties and responsibilities. Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility and additional property (as provided above) shall be a Common Expense to be allocated among all Units and Unplatted Parcels as part of the Assessments. The District Association may maintain property which it does not own (in addition to those portions of the Area of Common Responsibility which it does not own), including, without limitation, property dedicated to the public, if the Board of Directors determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard (as defined in the Community Declaration). The District

Association may in its discretion enter into a service or maintenance agreement with a qualified plumbing supply company or plumber whereby such company or plumber will service and repair the Unit Grinder Pump, as referred to in section 1 of Article VI hereinbelow, for each Unit on an "as-needed" basis. In such event, the estimated and actual costs and expenses incurred by the District Association in obtaining and maintaining such a service or maintenance agreement shall be a Common Expense of the District Association to be allocated among all Units for which a certificate of occupancy has been issued by Brevard County and levied as a Special Assessment.

Section 2. Owner's Responsibility. Each Owner (and any owner of a portion of the District Property not within a Unit or Unplatted Parcel) shall maintain his or her Unit or Unplatted Parcel (or portion of the District Property) and all structures, parking areas, landscaping, the Unit Drainage System (including any Rear Yard Swale System on such Owner's Unit and any Front Yard Swale System on such Owner's Unit) and other improvements comprising the Unit or Unplatted Parcel (or portion of the District Property) in good repair and in a manner consistent with this District Declaration and any standard established by the Board of Directors, and in any District planning and design criteria, as well as the Community-Wide Standard, and all applicable covenants, including those contained within the Community Declaration and the District Declaration, unless such maintenance responsibility is otherwise assumed by or assigned to the District Association. Except for service or maintenance which is provided under a service or maintenance agreement, if any, maintained by the District Association, with respect to Unit Grinder Pumps located within the District Property, each Owner of a Unit or Unplatted Parcel shall be solely responsible for the electric power costs, maintenance, repair and replacement of the Unit Grinder Pump installed on such Owner's Unit or Unplatted Parcel. Each Owner of a Unit or Unplatted Parcel adjacent to a lake, pond, retention or other water area or adjacent to a conservation or other wildlife area shall also maintain the portion of such water area or wildlife area located between such Owner's Unit and the ordinary high water line of any such water area or the natural vegetation line of any such wildlife area.

Each Owner of a Unit adjacent to the Recreational Lake shall vegetate and maintain that portion of the Unit adjacent to the Recreational Lake and any portion of the Recreational Lake between the boundary of the Unit and the water line of the Recreational Lake in accordance with the requirements and restrictions: Lakefront Owners must plant, irrigate and continually maintain bahia sod on the shore area of the Recreational Lake adjacent to the rear boundary line of the Lakefront Owner's Unit, from the top of bank to the ordinary high water mark of the Recreational Lake (hereinafter referred to as the "Shore Area"). Only bahia sod shall be planted in the Shore Area and no grass clippings or lawn debris shall be blown or dumped into the Recreational Lake. Lakefront Owners shall not draw or pump water from the Recreational Lake for any purpose, including, but not limited to, landscape irrigation purposes. No fertilizer shall be applied to the bahia sod planted in the Shore Area as necessary nutrients from fertilizer applied to the Unit's adjacent St. Augustine turf should provide adequate fertilization of the Shore Area to maintain bahia sod. Fertilizer applied to the Unit's St. Augustine type sod adjacent to the Shore Area and elsewhere on the Unit should not exceed 6 to 8 pounds of Nitrogen per 1,000 square feet. Herbicides and pesticides which are not specifically approved for aquatic use on the label affixed to such products shall not be applied or used within the Shore Area or to any plants growing in or adjacent to the Recreational Lake.

If any Owner fails properly to perform his or her maintenance responsibility, the District Association, in its sole discretion, shall have a right of entry upon such Unit or Unplatted Parcel (or portion of the District Property) and may perform such maintenance and assess all costs incurred by the District Association (together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof) against the Unit or Unplatted Parcel (or portion of the District Property) and the Owner (or owner) thereof in accordance with Section 3 of Article VIII of this District Declaration; provided, however, except when entry is required due to an emergency situation, the District Association shall afford the Owner (or owner) reasonable notice and an opportunity to cure the problem prior to entry. The District Association shall have no obligation to perform any such maintenance, unless required to do so under the District Declaration or Community Declaration. The determination as to whether a Unit or Unplatted Parcel (or portion of the District Property) and all structures, parking areas, landscaping and other improvements are being maintained in good repair and in a manner consistent with the foregoing shall be made by the Board of Directors, except to the extent the ARC may otherwise determine as to the Community-Wide Standard.

Section 3. Community Association. If the District Association fails to perform its maintenance responsibility as required herein and in the Community Declaration, the Community Association shall have a right of entry and may perform same and assess the cost thereof, all as provided in the Community Declaration.

Section 4. Determination of District Standard. The District Declarant or District Association may establish a standard for the District as to conduct, maintenance or other activity generally prevailing throughout the District, which standard, if established, shall at least meet that of the Community-Wide Standard. In the event such a standard is established, it may be amended by the District Declarant or District Association and may be enforced by the District Declarant, District Association or Community Association. Notwithstanding the foregoing, the ARC shall determine whether the District or any portion thereof, and all structures, parking areas, landscaping and other improvements located thereon are being maintained in a manner consistent with the Community-Wide Standard.

Section 5. Vacant Homesite Maintenance. Each Vacant Homesite within the District shall be maintained by the Owner thereof in a safe and attractive condition in accordance with the District Standard. Maintenance of Vacant Homesites shall include efforts to keep debris and other trash from accumulating. All costs relating to the maintenance of Vacant Homesites shall be the responsibility of the Owners thereof.

Section 6. Private Street Maintenance. All streets shown on the Plat are private and shall be maintained and kept in good repair by the District Association in accordance with Article IV, Section 1 of this District Declaration. No governmental body, including, without limitation, Brevard County, shall be responsible for the maintenance, repair or improvement of any such private street. The District Association shall establish, at such time as it deems as appropriate, and maintain, in such amounts as it deems appropriate, a reserve fund for the periodic maintenance, repair and replacement of such private streets and related improvements.

Section 1. Initial Construction of Buildings and Improvements Subject to Approval. The initial construction of buildings and related improvements within the District Property shall be subject to the approval of the Community Declarant. No initial construction of buildings and related improvements (including, without limitation, staking, clearing, grading and other site work, plantings and landscaping, and the construction of buildings, structures, walls, fences, pools, patios, paving, driveways, sidewalks, signs or other improvements of any kind, nature or description) shall be commenced, constructed, maintained or otherwise take place upon any portion of the District Property except in strict compliance with this Article, and in compliance and conformance with any plans approved pursuant to this Article after fully meeting the requirements of this Article, and after the approval of the appropriate entities has been obtained. The requirements for approval by the Community Declarant pursuant to this Article is imposed as contemplated by Section 16 of Article V of the Community Declaration.

Section 2. Plan Review Committee. The Community Declarant, acting through the Plan Review Committee, shall have exclusive jurisdiction over, and the right to review and approve or disapprove, the initial construction of all buildings and improvements on the District Property or any portion thereof, including without limitation the activities set out in Section 1 of this Article. Any review by, and approval or disapproval of, the PRC shall take into account the objects and purposes of this District Declaration and the requirements of the Design Review Manual. Such review by and approval of the PRC shall also take into account and include the type, kind, nature, design, style, shape, size, height, width, length, scale, color, quality, quantity, texture and materials of the proposed building, structure or other improvements under review, and the compatibility and harmony of same with other contiguous, adjacent and nearby structures and other improvements, and the topography, finish grade elevation, and other physical characteristics and the proposed location of same and in relation to the character of the District Property in general.

Section 3. Design Review Manual. The Design Review Manual shall govern the development of Units within the District Property and the construction of buildings and improvements thereon. The PRC shall utilize and refer to the Design Review Manual in connection with its review of all proposed initial construction of buildings and improvements pursuant to this Article. The Design Review Manual shall also be utilized by the MRC in connection with its review of installation, construction or modifications taking place after initial development and construction. The Design Review Manual shall constitute a part of the Planning and Design Criteria, as defined in and provided for in the Community Declaration, and shall be the exclusive architectural and design guidelines applicable to the District Property.

Section 4. Appointment of Plan Review Committee. All members of the Plan Review Committee shall be appointed by the Community Declarant. The committee shall consist of at least three (3), but not more than five (5) persons who need not be Owners or members of the District Association.

Section 5. Duration of Approval. Any approval of plans, specifications and other materials, by the PRC shall be effective for a period of one (1) year from the effective date of such approval. If construction or installation of the building, structure or other improvement for which plans, specifications and other materials have been approved, has not commenced within said one (1) year period, such approval shall expire, and no construction shall thereafter commence without a resubmission and approval of the plans, specifications and other materials previously approved. The prior approval shall not be binding upon the PRC on resubmission in any respect.

Section 6. District Declarant Exempt. The District Declarant shall be exempt from compliance with the provisions of this Article V.

Section 7. Time Limitation on Review. The PRC shall have forty-five (45) days after delivery to the Community Declarant's principal office of all required and requested information, to approve or reject any submissions subject to approval under this Article, and if not rejected within such 45 day period, said plans shall be deemed approved; subject, however, at all times to the covenants, conditions, restrictions and other requirements contained in this District Declaration and also subject to the provisions of the Design Review Manual. All work done after receiving the approval of the PRC shall be subject to the inspection by, and final approval of, such committee as appropriate, to determine compliance with the Design Review Manual and plans and specifications submitted and approved by such committee.

Section 8. No Waiver of Future Approvals. The approval of the PRC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

Section 9. Variance. The PRC may authorize variances from compliance with any of the provisions of its guidelines and procedures, including the Design Review Manual, when circumstances such as topography, natural obstructions, hardship or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may be granted only, however, when unique circumstances dictate, and no variance shall (a) be effective unless in writing, (b) be contrary to the use restrictions set forth in the body of this District Declaration, or (c) prevent the PRC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain (a) an approval of any governmental agency or (b) the issuance of any permit shall not be considered a hardship warranting a variance.

Section 10. Fees and Deposits. The PRC shall have the power and authority to establish and collect fees and to require deposits in connection with its review and approval procedures, including fees of professional consultants, if any, and of members of the PRC, as well as taking into account the costs and expenses associated with the development, formulation and publication of the Design Review Manual.

Section 11. No Liability. No approval given by the PRC shall impose any responsibility or liability whatsoever on the PRC or on the Community Declarant, or any member, employee, officer, director or agent of any either of them, including, without limitation, for: (i) the structural adequacy or integrity of buildings and improvements for which plans are approved; (ii) any decision, approval or disapproval of any plans, specifications or other materials required to be submitted for review and approval pursuant to the provisions of this Article, or (iii) any mistake in judgment, negligence, misfeasance or nonfeasance related to or in connection with any such decision, approval, or disapproval. The review and approval process provided in this Article pertains only to compliance with the provisions provided hereunder and does not include review or approval for compliance with any applicable governmental regulations, including without limitation, any applicable building or zoning laws, ordinances, rules and regulations.

ARTICLE VI Use Restrictions

The District Property shall be used only for such purposes as are permitted in the Development Order and other applicable Development Approvals, subject to such further restrictions as may be set forth in this District Declaration, any Supplemental Declaration or Annexation Agreement, and the Community Declaration or other covenants or deed restrictions pertaining thereto. No changes in the uses and intensities of uses permitted in the Development Order (and other applicable Development Approvals) pertaining to the District Property may be made, nor may any application therefor be made to any governmental authority, without the prior written approval of the District Declarant, as long as District Declarant owns any land within the District Property or which may be annexed thereto.

The District Property shall also be subject to such further restrictions as District Declarant may impose under and by virtue of deeds to Owners. Restrictions identified in any such deed as being enforceable by the District Association shall be enforceable by the District Association, acting through the Board of Directors, in the same manner as if such restrictions were set forth in this District Declaration. In addition, the Community Association, acting through its board of directors, shall have standing and power to enforce restrictions and standards imposed under the District Declaration and to enforce deed restrictions on the District Property which may be enforced by the District Association.

The District Association, acting through its Board of Directors, shall have the authority to make, enforce, amend and delete standards and restrictions governing use of the District Property in addition to those contained herein, and to impose reasonable user fees for use of the Common Areas, provided however, should such standards and restrictions be in conflict with or less stringent than those contained in the Community Declaration, then the terms and conditions of the Community Declaration shall control. Sanctions may include reasonable monetary fines which may be secured by a lien upon an Owner's Unit or Unplatted Parcel in the same manner as delinquent Assessments, all as more particularly set forth in the Bylaws. During such time as District Declarant owns any land which is subject to the District Declaration, any standards and restrictions governing the use of the District Property made, amended or deleted, shall not apply to the District Declarant and that portion of the District Property owned by it unless District Declarant consents thereto.

OR Book/Page: 4866 / 0269

The Board of Directors may delegate its power and authority to enforce restrictions pursuant to this Article VI to a Covenants Committee as provided in the Bylaws.

Section 1. Water and Sewage Facilities. Each Unit shall be connected to the public potable water system serving the District Property and no private potable water supply system shall be permitted for any Unit. Each Unit shall connect to the low pressure sewer system constructed by the District Declarant concurrently with the construction of a residence on the Unit. Such connection shall include the installation of a grinder pump station containing a pump, tank, check-valve and controls (herein referred to collectively as a "Unit Grinder Pump"), as part of such construction at the Owner's expense. The Unit Grinder Pump shall be compatible with the District Property's low pressure sewer system in all respects and shall specifically conform with the equipment and installation specifications set forth by the District Association, as from time to time modified. All other types of sewage treatment systems, including, but not limited to, septic tanks and drain fields, are prohibited within the District Property.

Section 2. Landscaping. Landscaping on any portion of the District Property and stormwater drainage and retention features located on and serving only a Unit or Unplatted Parcel (and not a part of the Master Drainage System or District Drainage System) shall be continuously maintained in good, aesthetically pleasing condition by the Owner thereof consistent with the landscape guidelines contained in the Design Review Manual. TREES AND SHRUBS SHALL NOT BE PLANTED ON ANY UNIT WITHIN A DRAINAGE EASEMENT SHOWN ON ANY PLAT OF THE DISTRICT PROPERTY.

Section 3. Vehicles and Repair. No inoperative cars, motorcycles, trucks or other types of vehicles shall be allowed to remain either on or adjacent to any portion of the District Property for a continuous period in excess of forty-eight (48) hours; provided, however, this provision shall not apply to any such vehicle being kept in an enclosed garage and not visible from the street or any portion of the District Property or Properties. No repairs to any car, motorcycle, truck or other type of vehicle shall take place on any portion of the District Property other than in an enclosed garage in a manner that is not visible from the street.

Section 4. Storage. Unless specially approved by the District Association, no materials, supplies or equipment (except during the construction of improvements) shall be stored on any portion of the District Property, except inside a residence and the garage. No storage buildings or sheds are permitted on any Unit or Unplatted Parcel. The foregoing provisions shall not apply to the Community Declarant or the District Declarant.

Section 5. Wells. No well for the production of water for irrigation or other purposes shall be dug, used or otherwise permitted on the District Property except in accordance with the requirements and provisions of the Design Review Manual and approved by the PRC or the MRC, as applicable.

Section 6. Signs. With the exception of one "For Sale" or "For Rent" sign per Unit or Unplatted Parcel not to exceed the size and specifications established by the District Association, no sign of any kind shall be erected on any portion of the District Property without the prior written consent of the District Association. Such restriction on signage shall not apply

to the District Declarant as long as the District Declarant owns property within the District Property.

Section 7. Parking and Garages. Owners and their guests or invitees shall park only in their garages or in the driveways serving their Units or Unplatted Parcels or permitted spaces or designated areas on Common Area as may be directed by the District Association, in which parking may or may not be assigned, subject to such reasonable rules and regulations as the Board of Directors may adopt. Owners and their guests or invitees shall not park in the streets, or on yards, medians or Common Areas (unless the District Association designates such Common Area for parking) or over sidewalks. Notwithstanding anything in the preceding sentence to the contrary, cars may be parked in streets for occasional parties and similar events as long as no driveways are blocked. All commercial vehicles, recreational vehicles, buses, trucks, pick-up trucks (other than unmodified stock pick-up trucks and so-called sport utility vehicles intended for personal or family use, provided no commercial signage, lettering or logo is displayed on the exterior of the vehicles or is otherwise visible from the exterior of the vehicles), vans (other than mini-vans and full-sized vans intended for personal or family use, provided no commercial signage, lettering or logo is displayed on the exterior of the vehicles or is otherwise visible from the exterior of the vehicles), tractors, mobile homes, trailers (either with or without wheels), campers, camper trailers, boats and other watercraft, and boat trailers must be parked entirely within a garage unless otherwise permitted by the District Association. Storage of any of the foregoing in the yard of a Unit or Unplatted Parcel shall not be permitted unless otherwise permitted by the District Association. Notwithstanding anything in the preceding sentence to the contrary, a recreational vehicle, boat and/or boat trailer may be kept within the driveway of a Unit temporarily for cleaning, loading and/or unloading purposes, pursuant to such guidelines and restrictions adopted by the Board of Directors from time to time with respect thereto. Each Unit shall have a two car garage or if permitted by the PRC, a similar space for permanent parking of two cars. No garage may be altered in such a manner that the number of automobiles which may reasonably be parked therein after the alteration is less than the number of automobiles that could have reasonably been parked in the garage as originally constructed. Garage doors shall be closed except when reasonably necessary for use of garage. (This section shall not apply to construction or similar vehicles or construction trailers which may be parked on an Unplatted Parcel or a Unit, but only during such reasonable period of time within which construction of improvements thereon is occurring.)

Section 8. Animals and Pets. No animals, livestock, or poultry of any kind may be raised, bred, kept, or permitted on any portion of the District Property, with the exception of dogs, cats, or other usual and common household pets, which may be kept or permitted in a reasonable number so as not to create a nuisance as determined by the District Association, provided same are not bred for commercial use; and provided, however, those pets which are permitted shall be sheltered inside structures. All dogs, cats and other household pets allowed hereunder must be leashed when outside, or confined by an electronic barrier or within a fenced area (which fenced area is in compliance with Section 16 of this Article VI), and shall not be permitted to run loose. No pet or animal shall be "tied out" in a yard or otherwise left unattended in a yard. Every person walking a pet shall clean up all matter created by the pet. Each Owner shall be responsible for the activities of such Owner's pets. A determination by the District Association that a pet is a nuisance shall be conclusive and binding on all parties. When notice

of removal of any pet is given by the District Association, the pet shall be removed permanently from the District within ten (10) days of the giving of the notice.

Section 9. Nuisance. No portion of the District Property shall be used, in whole or in part, for the storage of any property or thing that will cause such portion of the District Property to appear to be in an unclean, unsightly, unhealthy or unkempt condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept upon, nor shall any use or practice be allowed upon any portion of the District Property that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of the District Property or the Properties, or which shall be a source of material and unreasonable annoyance or discomfort to Owners or their tenants or invitees, or which materially and unreasonably interferes with the peaceful possession and enjoyment of the District Property. No illegal, noxious, or offensive activity shall be carried on or conducted upon any portion of the District Property. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices which might tend to cause disorderly, unsightly, or unkempt conditions, shall occur only within a garage or other similar walled interior area of the District Property and shall not be visible to view. Notwithstanding the foregoing, construction activity which occurs on the District Property in accordance with the terms of the District Declaration and the Community Declaration shall be permitted. No firearms may be discharged within the District Property.

Section 10. Antennas; Satellite Dishes. No exterior television or radio antennas, aerials or satellite dishes of any kind shall be placed, allowed, or maintained upon any portion of the District Property, including any Unit or Unplatted Parcel unless it is installed in accordance with the policy statement approved and issued by the ARC as the same may be amended from time-to-time. No Owner shall operate any equipment or device which will interfere with the radio or television reception of others.

Section 11. Clotheslines, Garbage Cans, Tanks and External Equipment. All clotheslines, garbage cans, air-conditioning compressors, pool pumps and other similar items of external equipment shall be located or screened in accordance with the Design Review Manual, so as to be concealed from view from neighboring Units, Unplatted Parcels or portions of the District Property or Properties. No above-ground tanks shall be erected, constructed or installed on any portion of the District Property unless expressly approved in advance in writing by the PRC or the MRC, a applicable, and such improvements are completely screened from view.

Section 12. Swimming Pools. No above ground swimming pools shall be erected, constructed or installed on any portion of the District Property.

Section 13. Tents, Trailers and Temporary Structures. Owners or occupants shall not place upon any portion of the District Property, any tent or trailer or any structure of a temporary nature, without obtaining the prior written approval from the District Association and the ARC.

Section 14. Drainage. All storm water from any portion of the District Property shall only drain into or onto contiguous or adjacent street rights-of-way, drainage easements,

retention areas, swales, Common Areas or Areas of Common Responsibility in the manner approved by the PRC and the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively. If such drainage is part of a Unit Drainage System or otherwise is not to be a part of the Master Drainage System or the District Drainage System, then the manner of its drainage shall be approved by the PRC. Each Unit Drainage System shall be constructed in accordance with the master drainage plan contained in the approved subdivision construction plans for the District Property (or the applicable portion of the District Property in which the Unit Drainage System is located). No Owner (other than the District Declarant) shall be permitted to alter the grade of or original drainage plan for any portion of the District Property, or change the direction of, obstruct, alter or retard the flow of surface water drainage, nor to erect, place or maintain any structure which shall in any way obstruct drainage devices or facilities or impede their efficient operation unless approved by the PRC and the owner and operator of the Master Drainage System or the District Drainage System, as the case may be, if such drainage is part of the Master Drainage System or the District Drainage System, respectively.

Section 15. Lakes, Ponds, Retention and Other Water Areas; Hedging and Landscaping. Units and Unplatted Parcels shall not have riparian rights to lakes, ponds, retention and other water areas except as specifically provided for hereinbelow with respect to those Units which are adjacent to the Recreational Lake. Access to and use of lakes, ponds, retention and other water areas within the District Property shall be governed and controlled by the owner and operator of the Master Drainage System or the District Drainage System, respectively. This shall not be deemed to imply that any of the District Property or the Owners thereof will have access to or rights to use lakes, ponds, retention or other water areas within the District Property, it being understood that except for the Recreational Lake, no Owner shall have the right to use lakes, ponds, retention or other water area within the District Property for recreational purposes, including, without limitation, swimming, fishing and the use of watercraft of any kind. Except as specifically provided hereinbelow with respect to the Recreational Lake, docks and other structures or improvements within lakes, ponds, retention and other water areas within the District Property shall not be permitted. Except as may otherwise be specifically approved in advance in writing by the PRC or MRC, as applicable, no Owner shall place or erect any statue, artwork, sculpture, figure, yard ornament or decoration of any type or material on any portion of the District Property which borders any lake, pond, retention or other water area. Landscaping and hedging on portions of the District Property which border any lakes, ponds, retention and other water areas, shall not be constructed, planted or installed, if permitted at all, in such a manner so as to materially obstruct the view of any of the foregoing as determined by the PRC or MRC, as applicable. On those portions of Units and Unplatted Parcels bordering lakes, ponds, retention and other water areas other than the Recreational Lake, Owners may not plant or install landscape hedging outside of the "building envelope", as defined in the Design Review Manual, therefor, provided that such hedging otherwise complies with the landscape guidelines contained in the Design Review Manual and that, in all events, it is approved in advance in writing by the PRC or the MRC, as applicable.

The Recreational Lake shall be owned by the District Association and shall be a part of the Common Area. Owners shall have the right to use the Recreational Lake subject to the following restrictions, limitations terms and conditions:

(a) Lakefront Owners shall have the rights provided for in this Section 15 of Article VI, which are in the nature of riparian rights, subject to the restrictions, limitations, terms and conditions set forth herein with respect to such rights. Each Lakefront Owner, by virtue of its acceptance of the deed to such Lakefront Owner's Unit, agrees that such Owner's rights shall be subject to such restrictions, limitations, terms and conditions.

(b) All other Owners shall have the right to use the Recreational Lake subject to the restrictions, limitations, terms and conditions sets forth in this subsection 15 of Article VI.

(c) Lakefront Owners shall have an easement and right of access to the Recreational Lake from their Units for swimming, boating, fishing and similar recreational purposes. In connection therewith, Lakefront Owners shall be entitled to construct a dock from their Units over the Recreational Lake provided (i) the plans for the dock have been submitted to and approved by the PRC or MRC, as applicable, prior to submission for the same to any governmental entity or authority having jurisdiction thereof, and (ii) the plans are thereafter approved by all applicable governmental authorities.

(d) All other Owners shall have access to the Recreational Lake at one or two lake access common areas designated or to be designated by Declarant on a Plat or by a supplement to this Declaration. Lakefront Owners shall also be entitled to utilize the lake access common areas.

(e) The use of personal watercraft (including without limitation jet skis) or other watercraft containing gas, diesel or other form of combustible engine on the Recreational Lake is prohibited.

(f) No watercraft may be stored overnight at the Lake Access Common Area.

(g) Neither the District Declarant nor the District Association shall have any obligations to provide supervisory personnel or lifeguards at the Lake Access Common Area or Areas, and any person using the same or otherwise utilizing the Recreational Lake shall do so at his or her own risk.

(h) The District Association shall have the right to adopt and amend from time to time rules and regulations relating to the Lake Access Common Area or Areas, and such rules and regulations shall be binding on each Owner as fully as if set forth in this Declaration.

(i) That portion of the Recreational Lake lying between the water line thereof, as the same exists from time to time, and the boundary between the Recreational Lake and an abutting Unit, as bounded on each side by the waterward extension of the side boundaries of such Unit, may only be utilized by the Owner of such Unit. No other Owners shall be entitled to utilize such area and any such use is prohibited.

(j) Unless otherwise approved in writing in advance by the District Association, no fish (other than native largemouth bass), waterfowl or aquatic plants may be introduced or discarded into the Recreational Lake. No aquarium water of any type shall be introduced or discarded into the Recreational Lake.

BY ACCEPTANCE OF A DEED TO A HOME OR PARCEL, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL LAKES AND WATER BODIES MAY VARY. THERE IS NO GUARANTEE BY DISTRICT DECLARANT, THE COMMUNITY ASSOCIATION OR THE DISTRICT ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME.

Section 16. Walls, Fences and Mailboxes. No fences or walls are permitted anywhere in the District Property unless approved in advance in writing by the PRC or MRC, as applicable, and constructed in strict accordance with fence and wall guidelines approved and issued by the PRC or MRC, as applicable. Any fence permitted in the District Property may not exceed the maximum height of eight (8) feet, and must be constructed in a manner and according to specifications approved by the PRC or the MRC, as applicable. On any Unit adjacent to a lake, pond, retention or other water area other than the Recreational Lake, no fences of any kind are permitted other than within the "building envelope" area as defined in and determined pursuant to the Design Review Manual. No mail box of any kind shall be erected on any portion of the District Property unless approved in advance in writing by the PRC and MRC, as applicable, and unless constructed according to a standard design as determined by the PRC or MRC, as applicable. District Declarant reserves the right to require cluster or central mailbox systems in the District Property.

Section 17. No Alteration without MRC Approval. No alteration of the Unit or Unplatted Parcel is permitted, nor are aluminum porches, additions or appendages to or repainting of the improvements originally approved by the MRC for the Unit or Unplatted Parcel allowed, without the prior written approval of the MRC; provided, however, Owners may repaint their residences in the same color and manner as originally approved by the MRC without necessity of obtaining a second written approval.

Section 18. Motorized Vehicles. Motorized vehicles shall not be used on the sidewalks, pathways or Common Areas (unless the Common Areas have been specifically designated for use by motorized vehicles by District Declarant). Golf carts may use the foregoing if so determined by District Declarant, but only to the extent as determined by District Declarant. In no event shall any person operate a motorized vehicle or golf cart anywhere within the District Property who does not have a valid driver's license. At such time as District Declarant no longer owns any property which is subject to this District Declaration or which can be annexed to the District Property, or at such earlier time as District Declarant in its sole discretion may determine, the rights reserved to District Declarant in this section shall become rights of the District Association, to be exercised by its Board of Directors.

Section 19. Cable Television System. Each Unit or Unplatted Parcel shall be wired for cable television service in accordance with the Design Review Manual.

Section 20. Community-Wide Standard. The District Property shall comply with the Community-Wide Standard, the terms and conditions of the Community Declaration, and the Design Review Manual.

Section 21. Development Order. Each Owner shall comply, at its expense, with the requirements of the Development Order as it relates to the Unit or Unplatted Parcel owned by it and each Owner shall otherwise cooperate with the Community Declarant, District Declarant, Community Association and District Association in their efforts to comply with the provisions of the Development Order.

Section 22. Occupants Bound. All provisions of the District Declaration and of any rules and regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners, shall also apply to all occupants of any portion of the District Property.

Section 23. Subdivision of Portion of the District Property. As long as District Declarant owns any land which is subject to this Declaration or which under the terms of this District Declaration could be annexed to the District Property, no portion of the District Property shall be platted, replatted, subdivided or its boundary lines changed, nor shall any portion of a Unit or Unplatted Parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Declarant, which approval may be granted or withheld in the sole discretion of District Declarant. Thereafter, no portion of the District Property shall be platted, replatted, subdivided or its boundary lines changed, nor shall any portion of a Unit or Unplatted Parcel, less than the whole thereof, be sold, conveyed or transferred except with the prior written approval of the District Association. Any such subdivision, boundary line change, platting or replatting shall not be in violation of the applicable subdivision and zoning regulations, the Development Order or the Development Approvals. District Declarant, however, hereby expressly reserves the right to plat, replat, subdivide or change the boundary lines of any portion of the District Property owned by the District Declarant and the right to sell, convey or transfer any portion of a Unit or Unplatted Parcel less than the whole thereof, without notice to or the approval or consent of any Person being required.

Section 24. Garage Sales. No garage or yard sales of any kind shall be conducted, nor shall any signage related to any garage or yard sales be erected, in any manner except as specifically provided by rules and regulations promulgated by the District Association or the ARC, which rules and regulations shall address the location, frequency, scope, hours, placement of signs and all other matters relating to garage or yard sales and signage or advertising thereof.

Section 25. Artificial Vegetation. No artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained on the exterior portion of any Unit, unless approved by the PRC or the MRC, as applicable.

Section 26. Casualty Destruction to Improvements. In the event that a Unit is damaged or destroyed by casualty loss or other loss, then within a reasonable period of time after such incident, the Owner thereof shall either commence to rebuild or repair the damaged improvements and diligently continue such rebuilding or repairing until completion, or properly clear the damaged improvements and rebuild the same as approved by the PRC. As to any such

reconstruction of damaged or destroyed improvements, the same shall only be replaced as approved by the PRC.

Section 27. Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, weather vanes, or flagpoles shall be installed or placed within or upon any portion of the District Property without the prior written approval of the PRC or the MRC, as applicable.

Section 28. Hurricane Shutters. Any hurricane shutters, security shutters or other protective devices visible from outside a Unit shall be of a type as approved by the ARC. Panel, accordion and roll-up style hurricane shutters and security shutters may only be installed on a Unit and utilized strictly in accordance with requirements set forth in the applicable policy statement approved and issued by the ARC, as the same may be amended from time to time.

Section 29. Substances. No inflammable, combustible or explosive fuel, fluid, chemical, hazardous waste, or substance shall be kept on any portion of the District Property or within any Unit, except those which are required for normal household use.

Section 30. Visibility on Corners. Notwithstanding anything to the contrary in these restrictions, no obstruction to visibility at street intersections shall be permitted and such visibility clearances shall be maintained as required by the PRC and governmental agencies. No vehicles, objects, fences, walls, hedges, shrubs or other planting shall be placed or permitted on a corner Lot where such obstruction would create a traffic problem.

Section 31. Wetlands and Conservation Areas. The District Property may contain or be adjacent to preserves, wetlands, conservation areas and/or mitigation areas. No Owner or other person shall take any action or enter onto such areas so as to adversely affect the same. Such areas are to be maintained by the Community Association in their natural state. No Owner shall have the right, under any circumstances, to disturb or alter such areas.

Section 32. Window Treatments. Window treatments shall consist of drapery, blinds, decorative panels, or other tasteful window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding two (2) weeks after an Owner or tenant first moves into a Unit or when permanent window treatments are being cleaned or repaired. No awnings, canopies or shutters shall be affixed to the exterior of a Unit without the prior written approval of the PRC, or MRC, as applicable. No reflective tinting or mirror finishes on windows shall be permitted unless approved by the PRC, or MRC, as applicable.

Section 33. Landscaping in Common Area. No trees, hedges, landscaping or yard ornament or decoration of any type or material whatsoever may be planted or installed on any portion of the Common Area by any Owner or other occupant of the District Property.

Section 34. Disputes as to Use. If there is any dispute as to whether the use of any portion of the District Property complies with this District Declaration, such dispute shall, prior to the expiration of the Class "B" Control Period, be decided by District Declarant, and

thereafter by the District Association. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

Section 35. Enforcement. In the event of the violation of or the failure to comply with the requirements of this Article, and the failure of the owner of the affected portion of the District Property within fourteen (14) days following written notice by the District Association of such violation or non-compliance and the nature thereof, to cure or remedy such violation, then the District Association or its duly appointed employees, agents or contractors, shall have the right, but not the obligation, and an easement and license to enter upon the affected portion of the District Property, without being guilty of any trespass therefor, for the purpose of curing or eliminating such violation, all at the sole expense of the owner thereof. Such costs and expenses, together with an overhead expense to the District Association of fifteen percent (15%) of the total amount thereof shall be payable by the owner of the affected portion of the District Property to the District Association within ten (10) days after written notice to the owner of the amount thereof, which amount shall become or be treated in the same manner as a Special Assessment levied against said portion of the District Property. The District Association may place a lien upon such portion of the District Property to recover such costs and expenses, as provided in Article VIII hereof, and the District Association may seek all other legal and equitable remedies available to it. The District Association shall also have the right to levy fines against an Owner for the violation of or the failure to comply with the requirements of this Article, or exercise any other remedy available at law, as more particularly set forth in the Bylaws. Any rights of the District Association hereunder may also be exercised by the Community Association as further provided in this District Declaration.

ARTICLE VII

Annexation of Additional Property

Section 1. Annexation. As the owner thereof, or if not the owner, with the consent of the owner thereof, District Declarant shall have the unilateral right, privilege, and option, from time to time at any time to annex to the District Property any additional property (i) which is either abutting the District Property (including additions thereto), which shall include properties which would abut the District Property but for the existence of a road right-of-way, easement or other similar property grant separating it from the District Property, or (ii) which is so situated that its addition will be consistent with a uniform scheme of development as determined in the sole discretion of District Declarant. This right of annexation by District Declarant shall exist until District Declarant no longer owns any property within the District Property or within the additional property described above which may be the subject of annexation to the District Property. Such annexation shall be accomplished by filing in the public records of Brevard County, Florida an Annexation Agreement annexing such property so as to become part of the District Property and Exhibit "A", thereby submitting same to the terms of the District Declaration, which Annexation Agreement shall include the written consent of the Community Declarant thereto. Any such annexation shall be effective upon the filing for record of such Annexation Agreement unless otherwise provided therein. District Declarant or Community Declarant shall have the unilateral right to transfer to any other Person the said right, privilege, and option to annex additional property described herein reserved to District Declarant, provided that such transferee or assignee shall be the owner of at least a portion of the District Property or the additional property which may be the subject of annexation to the District

Property, and that such transfer is memorialized in a written, recorded instrument executed by District Declarant. Nothing herein shall obligate District Declarant to annex additional real property into the District Property, nor to continue with annexation, if and when it may be commenced.

Section 2. Residential District. The District Property and any additional property annexed as provided herein (thereby becoming part of the District Property), shall be a part of the Summer Lakes Residential District. The Summer Lakes Residential District may also include other property (i) submitted to the terms and conditions of the District Declaration by an Annexation Agreement, or (ii) submitted to the terms and conditions of other declarations of covenants, conditions, easements, reservations and restrictions and not the District Declaration, provided however, the Community Declarant by written consent to such declaration designates such property as part of the Summer Lakes Residential District, and the governing association for such declaration shall be the District Association. The District Association shall be responsible for carrying out its rights and obligations as provided in any declarations pertaining to the Summer Lakes Residential District and may not decline to accept such rights and responsibilities as to any property contained within the Summer Lakes Residential District. The Units within the Summer Lakes Residential District shall be used for single family residential purposes unless otherwise specifically provided in this District Declaration, any Supplemental Declaration or other declaration of covenants, conditions, easements, reservations and restrictions pertaining to property within the Summer Lakes Residential District.

Section 3. Amendment. This Article shall not be amended without the written consent of District Declarant, and as to provisions pertaining to it, Community Declarant.

ARTICLE VIII Assessments

Section 1. Creation of Assessments. There are hereby created Regular Assessments for Common Expenses as may from time to time specifically be authorized by the District Association to be commenced at the time and in the manner set forth in Section 5 of this Article. Except as may otherwise be provided in Article VII, Section 3, Assessments shall be levied on all Units or Unplatted Parcels according to the following formula:

(a) Assignment of Points.

(i) One (1) point per acre or portion thereof shall be assigned to an Unplatted Parcel.

(ii) For those portions of the District which are subject to a Plat or are otherwise designated by District Declarant as a Unit, each Unit shall be allocated one (1) point.

(b) Computation of Assessments.

The percentage of the total Assessment to be levied on a particular Unit or Unplatted Parcel shall be computed by dividing the total points assigned to that Unit or

Unplatted Parcel subject to the Assessment by the total points for all Units and Unplatted Parcels in the District Property subject to the Assessment. The percentage of the total Assessment for each Unit or Unplatted Parcel subject to Assessment shall be computed annually by the District Association. The Assessment for a Unit or Unplatted Parcel shall be arrived at by multiplying the total budget amount or total Assessment adopted by the Board of Directors (as it may be amended from time to time) by the applicable percentage of the total Assessment computed for such Unit or Unplatted Parcel. Upon annexation of additional property into the District Property, Assessments shall be recomputed under the above formula.

Special Assessments shall be levied as provided in Section 3 of this Article VIII. Each Owner, by acceptance of a deed or recorded contract of sale to any portion of the District Property, is deemed to covenant and agree to pay these Assessments. All Assessments, together with interest at a rate not to exceed the highest rate allowed by Florida law as computed from the date the delinquency first occurs, penalties, late charges, processing or other fees, costs, expenses and reasonable attorneys' and paralegals' fees, shall be a charge on the land and shall be a continuing lien upon the Unit or Unplatted Parcel against which each Assessment is made.

All Assessments, together with interest, penalties, late charges, processing or other fees, costs, expenses and reasonable attorneys', and paralegals', fees, shall also be the personal obligation of the Person who was the Owner of such Unit or Unplatted Parcel at the time the Assessment arose, and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit or Unplatted Parcel pursuant to foreclosure of a first Mortgage, or pursuant to a deed in lieu of foreclosure of a first Mortgage, shall be liable for unpaid Assessments which accrued prior to such acquisition of title.

The District Association shall, upon demand at any time, furnish to any Owner liable for any type of Assessment a certificate in writing setting forth whether such Assessment has been paid as to any particular Unit or Unplatted Parcel. Such certificate shall be conclusive evidence of payment to the District Association of such Assessment therein stated to have been paid. The District Association may require the advance payment of a reasonable processing fee for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the entire Assessment in the event of delinquent payments, including without limitation in the case of the Regular Assessment, acceleration of payment of the Regular Assessment for the entire fiscal year, and acceleration of payment of the full amount of any Special Assessment. The Board of Directors may in its sole discretion grant an option for the Regular Assessment to be paid in installments rather than annually in advance, subject to an additional processing fee and interest being due if such option is elected. Unless the Board of Directors otherwise provides, the Regular Assessment shall be paid annually.

No Owner may waive or otherwise exempt himself from liability for the Assessments provided for herein by non-use of the Common Area or abandonment of the Unit or Unplatted Parcel against which the Assessments are made. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of

an Assessment or set-off against an Assessment shall be claimed or allowed by reason of any alleged failure of the District Association to take some action or perform some function required to be taken or performed by the District Association under this District Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the District Association, or from any action taken to comply with any law, ordinance, order or directive of any municipal or other governmental authority.

So long as the District Declarant has an option unilaterally to subject additional property to this District Declaration in accordance with Article VII hereof, District Declarant may elect, in lieu of paying Assessments on its unsold Units or Unplatted Parcels, to pay the difference between the amount of Assessments levied on all Units and Unplatted Parcels subject to Assessment (except District Declarant's unsold Units or Unplatted Parcels) and the amount of actual expenditures required during the fiscal year by the District Association. However, District Declarant may exclude from such amount the portion of any reserves which would otherwise be attributable to Units or Unplatted Parcels owned by the District Declarant. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these. Such services or materials may be furnished by any party designated by District Declarant and the value of such services shall be established by District Declarant or by a written statement of the service or material provider.

The District Association is specifically authorized to enter into subsidy contracts or contracts for "in-kind" contribution of services or materials or a combination of services and materials with District Declarant or other entities for the payment of some portion of the Common Expenses.

Section 2. Adoption of Budget. It shall be the duty of the Board of Directors to prepare and adopt a budget for the District Association covering the estimated Common Expenses during the coming fiscal year. The budget may include funding for one or more reserve accounts, taking into account the number and nature of replaceable assets (including, without limitation, the District Drainage System, private roads, entry gates and related structures), the expected life of each asset, and the expected repair or replacement cost of each asset. The Board of Directors shall set the capital contribution, if any, in an amount sufficient to permit the District Association to meet the projected capital needs, as shown on the capital budget, with respect to amount and timing, by Regular Assessments over the period of the budget. The Board of Directors shall publish in accordance with the provisions of the Bylaws notice of the adoption of the budget and the amount of the Regular Assessment to be levied against each Unit or Unplatted Parcel for the following fiscal year, calculated as provided in Section 1 of this Article. Such budget and Regular Assessment shall become effective upon adoption of the budget by the Board of Directors.

Notwithstanding the foregoing, however, in the event the Board of Directors fails for any reason so to adopt the budget for any year, then and until such time as the budget shall have been adopted by the Board of Directors, the budget in effect for the immediately preceding year shall, with an increase of ten percent (10%) or such lower amount as is determined by the Board of Directors, continue for the current year.

In the event that the Board of Directors shall determine during any fiscal year that the Regular Assessment established for such fiscal year is or will become inadequate or insufficient to meet all Common Expenses and reserve amounts, if any, for such fiscal year for whatever reason, the Board of Directors shall be entitled to immediately determine the approximate amount of the deficiency or inadequacy of the Regular Assessment for such fiscal year, adopt an amendment to the budget to cover such deficiency, and levy supplemental or revised Regular Assessments for such fiscal year, calculated as provided in Section 1 of this Article. Such amendment to the budget and such supplemental or revised Regular Assessments shall become effective upon adoption by the Board of Directors. The Board of Directors shall furnish notice of such amendment to the budget and such supplemental or revised Regular Assessments in the same manner provided in the first paragraph of this Section.

Section 3. Special Assessments. In addition to the Regular Assessments authorized in Section 1 of this Article, the District Association may levy and collect a Special Assessment or Special Assessments from time to time for any purpose directly related to the discharge of the District Association's duties and obligations pursuant to this District Declaration. The obligation to pay Special Assessments shall be computed on the same basis as for Regular Assessments, with the total number of points limited to the number of points assigned to those Units or Unplatted Parcels to which the Special Assessment applies. Special Assessments shall be payable in such manner and at such times as determined by the Board of Directors, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board of Directors so determines. If the District Declarant is subsidizing the Regular Assessments as provided in Section 1 of this Article at the time of such Special Assessment, the District Declarant may determine in its discretion whether it desires to subsidize the Special Assessment in the same manner as provided in Section 1, or pay same based on the Units and Unplatted Parcels it owns.

After the District Association has mailed written notice to an Owner of a Unit or Unplatted Parcel at such Owner's last known address, specifying the noncompliance of such Unit or Unplatted Parcel with the terms and conditions of the District Declaration, the District Association may levy and collect a Special Assessment against any Owner individually and against such Owner's Unit or Unplatted Parcel to reimburse the District Association for costs and expenses incurred in bringing an Owner and his Unit or Unplatted Parcel into compliance with the provisions of this District Declaration (including without limitation an overhead expense of fifteen percent (15%) of the total costs and expenses payable to the District Association).

Section 4. Lien for Assessments. The District Association shall, at any time following the expiration of ten (10) days after the due date of an Assessment, be entitled to cause a claim of lien for such delinquent Assessments to be filed among the Public Records of Brevard County, Florida. Any such claim of lien shall, among other things, state and identify the Unit or Unplatted Parcel against which the lien is claimed, the name of the Owner of the Unit or Unplatted Parcel as provided in the books and records of the District Association, and the amount of the lien at the time of filing and such additional items as may be secured by the lien. Such lien may be executed by any officer of the District Association or by the management agent or attorney for the District Association. A copy of the claim of lien shall be furnished to the Owner against whose property the lien is filed. The payment of all Assessments established, made, levied and imposed by the District Association pursuant to this District Declaration, as

well as any Assessments which may become due on or after the recordation of such lien together with interest, penalties, processing or other fees, late charges, costs, expenses, and reasonable attorneys, and paralegals, fees associated with the collection thereof (whether suit be brought or not), shall be secured by the lien. Upon recording of a notice or claim of lien on any Unit or Unplatted Parcel, there shall exist a perfected lien for unpaid Assessments prior and superior to all other liens, except (a) all taxes, bonds, Assessments, and other levies which by law would be superior thereto; (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value; and (c) the lien for Community Association Assessments as provided in the Community Declaration. Such lien may be enforced by suit, judgment or foreclosure in the same manner mortgage liens are foreclosed.

The District Association shall have the power to bid for the Unit or Unplatted Parcel at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. During the period in which a Unit or Unplatted Parcel is owned by the District Association following foreclosure: (a) no Assessment shall be assessed or levied on it; and (b) each other Unit or Unplatted Parcel shall be charged, in addition to its usual Assessment, its pro rata share, based upon its percentage of total Assessments in Section 1 of this Article, of the Assessment that would have been charged such Unit or Unplatted Parcel had it not been acquired by the District Association as a result of foreclosure.

Suit to recover a money judgment for unpaid Assessments, interest, penalties, processing or other fees, late charges, costs, expenses and reasonable attorneys and paralegals, fees shall be maintainable without foreclosing or waiving the lien securing the same. If there are multiple Owners of a Unit or Unplatted Parcel, each Owner shall be jointly and severally liable for any Assessments made against such Unit or Unplatted Parcel. The remedies herein provided for the collection and enforcement of Assessments and the foreclosure of the lien therefor shall be cumulative and not alternative and may be brought separately or simultaneously as separate counts in the same action.

Section 5. Date of Commencement of Assessments. With respect to Units platted pursuant to the initial plat of the District Property or any portion thereof, assessments shall commence on the date of adoption of the initial budget by the Association. With respect to Units platted pursuant to any subsequent plat of any portion of the District Property, assessments shall commence on the first day of the first month following the annexation of each such Unit. Assessments with respect to an Unplatted Parcel shall commence on the first day of the first month following the annexation of the Unplatted Parcel.

Section 6. Subordination of the Lien to First Mortgages. The lien of Assessments, including interest, penalties, processing or other, fees, late charges, costs, expenses and reasonable attorneys and paralegals fees, shall be subordinate to the lien of any first Mortgage upon any Unit or Unplatted Parcel. The sale or transfer of any Unit or Unplatted Parcel shall not affect the Assessment lien or the personal liability of the Owner of such Unit or Unplatted Parcel for payment of the Assessment. However, the sale or transfer of any Unit or Unplatted Parcel pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments (but not the personal liability of the prior Owner for said unpaid Assessments) as to payments which became due prior to such sale or transfer. No

foreclosure, sale or transfer shall relieve such Unit or Unplatted Parcel from the personal obligation or liability for the payment of any Assessments (including the right to file a lien for nonpayment thereof) for any Assessments thereafter accruing or becoming due. When a Mortgagee holding a first Mortgage of record or other purchaser of a Unit or Unplatted Parcel obtains title pursuant to remedies under the Mortgage, or by deed in lieu of foreclosure, such Mortgagee or purchaser, its successors and assigns shall not be liable for the share of the Common Expenses or Assessments of the District Association chargeable to such Unit or Unplatted Parcel which became due prior to the acquisition of title to such Unit or Unplatted Parcel by such acquirer. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectible from Owners of all the Units or Unplatted Parcels, including such acquirer, its successors and assigns.

Section 7. Exempt Property. Notwithstanding anything herein to the contrary, the following property shall be exempt from the payment of Assessments:

- (a) All Common Area under this District Declaration or under the Community Declaration;
- (b) The Areas of Common Responsibility under this District Declaration or under the Community Declaration not within a Unit or an Unplatted Parcel;
- (c) All property dedicated to and accepted by any governmental authority or public utility, including, without limitation, public schools, public streets and public parks, if any;
- (d) All real property not within a Unit or an Unplatted Parcel which is part of the Master Drainage System; and
- (e) All tracts identified as such on any Plat.

Section 8. Billing of Assessments by the Community Association. In the event the Community Association bills the District Association for the combined Assessments due the Community Association with respect to Units and Unplatted Parcels within the District as provided in the Community Declaration, the District Association shall so notify the Owners by mailing, publishing in a newspaper of local circulation, or posting on the District Property, and such notice shall set forth the amount due from each Owner and the due date for such payment. Such Community Association Assessment shall be deemed an Assessment and may be collected by the District Association in the same manner as Assessments.

Section 9. Working Capital Contribution. In addition to the assessments provided for in this Article VIII, at the closing of the initial sale of each Unit to an Owner that is not a residential contractor constructing (or intending to construct) a residence on such Unit, a working capital or operating expense contribution in the amount of Two Hundred Fifty Dollars (\$250.00) per unit shall be collected by District Declarant from the purchaser thereof and remitted to the District Association at and as a part of each such sale. **WORKING CAPITAL CONTRIBUTIONS MAY BE UTILIZED BY THE DISTRICT ASSOCIATION FOR**

CAPITAL EXPENDITURES, OTHER PURCHASES OF GOODS AND SERVICES,
OPERATING EXPENSES AND RESERVES.

ARTICLE IX
General Provisions

Section 1. Term. The covenants and restrictions of this District Declaration shall run with and bind the District Property, and shall inure to the benefit of and shall be enforceable by the District Declarant, Community Declarant, District Association, Community Association, or Owners, their respective successors and assigns, for a term of forty (40) years from the date this District Declaration is recorded in the Public Records of Brevard County, Florida, after which time they shall be automatically extended for successive periods of ten (10) years, unless an instrument in writing, signed by two-thirds of the then Owners, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this District Declaration shall be modified or terminated as specified therein.

Section 2. Easements for Utilities and Other Services. There is hereby reserved unto District Declarant, so long as District Declarant owns any property which is subject to this District Declaration or which under the terms of this District Declaration could be annexed to the District Property, and its designees for each of the following (which may include, without limitation, Brevard County, Florida, any other governmental entity or any utility service provider), blanket non-exclusive easements upon, across, over, and under all of the Common Area, all Tracts identified as such on any Plat, and, to the extent shown on the Plat, over other portions of the District Property, for ingress, egress, installing, replacing, repairing and maintaining cable television systems, master television antenna systems, fiber optic lines, security and similar systems, roads, walkways, bicycle pathways, lakes, ponds, wetlands, drainage systems, street lights, signage, and all utilities, including, but not limited to, water, sewer, surface water management systems, including the Master Drainage System, meter boxes, telephones, gas, and electricity; provided, the exercise of this easement shall not unreasonably interfere with the use of any Unit or Unplatted Parcel and, except in an emergency, entry into any Unit or Unplatted Parcel shall be made only after reasonable notice to the Owner or occupant thereof. Such reservation shall be subject to any specific approval right of the Community Declarant that may be required by the Community Declaration.

Section 3. Future Easements. There is hereby reserved to District Declarant, together with the right to grant and transfer the same, the right, power and privilege to, at any time hereafter, grant to itself, the District Association, Brevard County or any other parties such other further and additional easements as may be reasonably necessary or desirable, in the sole opinion and within the sole discretion of District Declarant, for the future orderly development of the Summer Lakes Residential District in accordance with the objects and purposes set forth in this District Declaration. It is expressly provided, however, that no such further or additional easement shall be granted or created over and upon any Unit or Unplatted Parcel pursuant to the provisions of this Section if any such easement shall unreasonably interfere with the presently contemplated or future use and development of that particular Unit or Unplatted Parcel. The easements contemplated by this Section may include, without limitation, such easements as may be required for utility, drainage, road right-of-way, signage and other purposes reasonably

related to the orderly development of the Summer Lakes Residential District in accordance with the objects and purposes specified in this District Declaration. Such further or additional easements may be hereafter created, granted or reserved by District Declarant without the necessity for the consent or joinder of the Owner of the particular portion of the District Property over which such further or additional easement is granted or required, provided however, such creation, grant or reservation shall be subject to any approval of the Community Declarant that may be required by the Community Declaration.

Section 4. Enforcement. Every Owner and every occupant of a Unit or Unplatted Parcel, and every guest or invitee of any such person, shall comply strictly with the covenants, conditions, and restrictions set forth in the District Declaration and associated documents, and in the deed to the Unit or Unplatted Parcel, if any. The District Association, Community Association, Community Declarant, District Declarant, or an Owner shall have the right individually, collectively or in any combination to enforce the covenants, conditions, restrictions and other provisions of this District Declaration or seek such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration, by any proceeding at law or in equity. Failure to enforce any such provision shall in no event be deemed a waiver of the right to do so thereafter. The right to enforce the District Declaration shall include, without limitation, an action to recover sums due for damages or an action for injunctive relief, or both, maintainable by the District Association, Community Association, Community Declarant, District Declarant, or an Owner. In addition, the District Association or the Community Association may impose per diem penalties for failure to comply with this District Declaration and associated documents after notice of such noncompliance and the elapsing of a stated time period within which to cure such noncompliance as further provided in the Bylaws, with each day during which such noncompliance continues being considered a separate violation of the terms hereof. Such penalties shall be due and payable upon imposition and shall be secured, collected and otherwise treated in the same manner as Assessments. The Community Association or Community Declarant shall have the right, but not the obligation, to take all actions that the District Association or District Declarant might otherwise take under the provisions of this District Declaration, including the right to enforce the terms of the District Declaration. Costs, expenses and reasonable attorneys and paralegals, fees, whether suit be brought or not, including those resulting at all trial and appellate levels, incurred by the prevailing party in any action to enforce any provision of this District Declaration or to seek such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration, the Articles of Incorporation, Bylaws, and rules and regulations of the District Association, and any similar associated documents thereunder, or deed restrictions on the District Property, including without limitation actions to recover sums due for damages or actions for injunctive relief, shall be the personal obligation of the non-prevailing party.

Section 5. Indemnification. The District Association shall indemnify every officer, director, committee member and employee of the District Association against any and all costs and expenses, including reasonable attorneys, and paralegals, fees, reasonably incurred by or imposed upon such officer, director, committee member or employee in connection with any action, suit, or other proceeding, or appeal therefrom, (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he may be a party by reason of being or having been an officer, director, committee member or employee of the District

Association. Such officers, directors, committee members and employees shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors of the District Association shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the District Association (except to the extent they may also be members of the District Association), and the District Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any such officer, director, committee member, or employee, or former officer, director, committee member or employee may be entitled. The District Association shall, as a Common Expense, maintain adequate general liability and officers, and directors, liability insurance to fund this obligation, if such insurance is reasonably available.

Section 6. Litigation. During the Class B Control Period, no judicial or administrative proceeding shall be commenced or prosecuted by the District Association unless approved by a majority of the Board of Directors. Thereafter, no judicial or administrative proceeding shall be commenced or prosecuted by the District Association unless approved by a vote of seventy-five percent (75%) of the Board of Directors. This Section shall not apply, however, to (a) actions brought by the District Association to enforce the provisions of this District Declaration or associated documents, or such other relief as may be available as a result of a breach of such covenants, conditions, restrictions and other provisions of the District Declaration or associated documents, or under any deed restrictions imposed on Units or Unplatted Parcels or other portions of the District Property, which shall include, without limitation, actions to recover sums due for damages or actions for injunctive relief (including, without limitation, the foreclosure of liens), (b) the imposition and collection of Assessments as provided in Article VIII hereof or in the Community Declaration, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the District Association in proceedings instituted against it. (This Section shall not apply to the undertaking of any defense of the District Association in proceedings instituted against it.) This Section shall not be amended unless such amendment is made by the District Declarant or after the Class B Control Period, is approved by the percentage votes and pursuant to the same procedures necessary to institute proceedings as provided above.

Section 7. Cumulative Effect; Conflict. The covenants, restrictions, and provisions of this District Declaration shall be cumulative with those of (i) the Community Declaration and associated documents thereunder, and (ii) any deed restrictions; and the District Association may, but shall not be required to, enforce those documents described in (i) and (ii); provided, however, in the event of conflict between or among such covenants and restrictions, and provisions of any articles of incorporation, bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, those of the District Declaration and the District Association or any deed restrictions shall be subject and subordinate to those of the Community Declaration and the Community Association. The foregoing priorities shall apply, but not be limited to, the liens for Assessments created in favor of the Community Association.

Section 8. Severability. Invalidation of any one of the covenants or restrictions contained in the District Declaration by judgment or court order shall in no way affect the

validity of any other provisions contained in the District Declaration, which shall remain in full force and effect.

Section 9. Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment for so long as such encroachment shall exist due to the unintentional placement of improvements as a result of minor inaccuracies in surveying, construction or reconstruction, or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of the Community Declaration and the District Declaration).

Section 10. Development and Construction by District Declarant. Nothing set forth in this District Declaration shall be deemed, either expressly or impliedly, to limit the right of District Declarant to change, alter or amend its development plan or plans for the District Property or the Development Order or Development Approvals, subject to the terms and conditions of the Community Declaration, or to construct such improvements as the District Declarant deems advisable prior to the completion of the development of all of the District Property. District Declarant reserves the right to alter its development and construction plans and designs as it deems appropriate from time to time. Nothing in this District Declaration shall be construed to require District Declarant, its successors in interest or assigns to develop any of the District Property, or to develop it in any manner whatsoever.

Section 11. Construction Activity by District Declarant. Notwithstanding anything to the contrary set forth herein, Owners of Units and Unplatted Parcels (and owners of any other portion of the District Property) acknowledge that District Declarant may undertake certain construction or related activities for the purpose of marketing, sale, development and improvement of the District Property or portions thereof. As a result, certain portions of the District Property may experience disturbance or inconvenience from time to time from such activities, however no Owner (or owner of any other portion of the District Property) shall be entitled to seek relief against the District Declarant for any reason related thereto.

Section 12. Community Association Empowered to Enforce District Declaration. The Community Association is hereby authorized and empowered, but shall not be obligated so to act, to enforce the covenants, conditions and restrictions of the District Declaration or deed restrictions pertaining to the District Property, and shall have a reasonable right of entry for purposes thereof, provided however, the Community Association shall so notify the owner of such portion of the District Property in noncompliance, at its last known address, of such noncompliance. The Community Association shall also have the right to exercise any other rights granted to the District Association under the terms and conditions of this District Declaration, the Bylaws and the Articles of Incorporation. Any costs, expenses, reasonable attorneys' and paralegals' fees (as well as a fifteen percent (15%) administrative overhead factor) incurred by the Community Association as provided hereunder shall be deemed a Special Assessment under Section 3 of Article VIII of the Community Declaration against such portion of the District Property in noncompliance, and shall be subject to collection and such other terms as provided therein and in Article VIII of the Community Declaration.

Section 13. Wildlife, Wetland Programs and Other Components of Development Order. The Community Declarant, District Declarant, Community Association or District

Association, may in the future implement wildlife or wetland programs or other components of the Development Order, and this District Declaration may be amended by District Declarant, without the joinder or consent of any Person being required, for the purpose of defining and implementing such programs, and if deemed appropriate by District Declarant, for the purpose of defining certain responsibilities and obligations of the Community Association, District Association, District Property or portions thereof, and Owners in regard thereto. BY ACCEPTANCE OF A DEED, EACH OWNER ACKNOWLEDGES THE RECREATIONAL LAKE, COMMON AREA AND OTHER PORTIONS OF THE DISTRICT PROPERTY MAY CONTAIN WILDLIFE, SUCH AS ALLIGATORS, RACOONS, SNAKES, DUCKS, DEER, SWINE, TURKEY AND FOXES. COMMUNITY DECLARANT, DISTRICT DECLARANT, THE DISTRICT ASSOCIATION AND THE COMMUNITY ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE EXCEPT AS MAY BE REQUIRED UNDER THE DEVELOPMENT ORDER, AND THEY HAVE NO RESPONSIBILITY TO NOTIFY OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER, AND THEIR FAMILIES, GUESTS AND OTHER INVITEES, ARE RESPONSIBLE FOR THEIR OWN SAFETY.

Section 14. ARC, PRC and MRC Approval. As provided in Article V of the Community Declaration and in Article V of this District Declaration, Units and Unplatted Parcels are subject to the requirements of the Design Review Manual and certain restrictions and must obtain certain approvals in respect to improvements, alterations or other modifications to be made thereto. Owners of Units or Unplatted Parcels shall be responsible for complying in all respects with the Community Declaration and this District Declaration, including without limitation the architectural review process provided for therein and the requirements of the Design Review Manual.

ARTICLE X Declarant's Rights

Section 1. Assignment of Rights. Any or all of the obligations of District Declarant may be transferred to other Persons including, without limitation, the District Association, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein; provided further, no such transfer shall be effective unless it is in a written instrument signed by District Declarant and duly recorded in the public records of Brevard County, Florida.

Section 2. Development Activities. Notwithstanding any provisions contained in the District Declaration or related documents to the contrary, it shall be expressly permissible for District Declarant, its sales agents, sales representatives, contractors and other designees to maintain and carry on upon portions of the Common Area, Units, Unplatted Parcels, or other portions of the District Property owned by District Declarant, such facilities and activities as, in the sole opinion of District Declarant, may be reasonably required, convenient or incidental to the construction or sale of Units or Unplatted Parcels, including, but not limited to, business offices, signs, model units, and sales offices, and siting of construction trailers, construction equipment and materials thereon, and District Declarant, its sales agents, sales representatives, contractors and other designees shall have an easement for access to and use for such purposes and of such facilities.

Section 3. Approval of Additional Covenants and Plats of the District Property.

So long as District Declarant continues to have rights under this Article, no Person shall record any plat, declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument, affecting any portion of the District Property owned by such Person without District Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such plat, declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument, being void and of no force and effect unless subsequently approved by recorded consent signed by District Declarant.

Section 4. Amendment. This Article may not be amended without the express written consent of District Declarant; provided, however, the rights contained in this Article shall terminate upon the earlier of (a) twenty-five (25) years from the date this District Declaration is recorded in the public records of Brevard County, Florida, or (b) upon recording by District Declarant of a written statement that all sales activity of District Declarant has ceased.

ARTICLE XI
Amendment

During the Class B Control Period, the District Declarant without prior notice and without the consent of any Person, for any purpose including, without limitation, withdrawal of certain portions of the District Property then owned by District Declarant or its affiliates from the provisions of this Declaration or a change in the uses permitted for the District Property under this District Declaration, by recordation of an amendment in the public records of Brevard County, Florida. Any such amendment by the District Declarant shall be consistent with the general development plan for the District Property set forth in this District Declaration, and with the Development Order of the Properties issued by Brevard County, Florida. Covenants and restrictions consistent with the general plan of development may include, without limitation, requirements for insurance and repair of the Common Area and Units or Unplatted Parcels, rights and obligations in respect to condemnation, rights and obligations of the District Association, including the right to promulgate rules and regulations (including without limitation liens), and providing enforcement powers, and reservation of additional easements over the District Property. This District Declaration may be amended by a majority of the Board of Directors adopting a resolution setting forth the proposed amendment, if such proposed amendment is approved by the affirmative vote (in person or by proxy) or written consent, or any combination thereof, of two-thirds of the total votes of the District Association. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment of the District Declaration shall be recorded in the Public Records of Brevard County, Florida. Notwithstanding the foregoing, any such amendment shall require the prior written approval of the Community Declarant.

If an Owner consents to the amendment of this District Declaration, it will be conclusively presumed that such Owner has the authority so to consent and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

No amendment shall remove, revoke or modify any right or privilege of District Declarant, Community Declarant, Community Association or District Association without the written consent of such party or the assignee of such party's right or privilege. No amendment may impair the validity or priority of the lien of any Mortgage held by any Mortgagee or impair the rights granted to Mortgagees herein without the prior written consent of such Mortgagees.

By acceptance of a deed of conveyance to a Unit or Unplatted Parcel or other portion of the District Property, each Owner thereof thereby gives its full, irrevocable and unqualified consent on behalf of itself, its mortgagees, and its successors-in-title to the amendment of this District Declaration in the manner provided in this Article.

ARTICLE VII

MEMBERSHIP

7.1 Membership. Each Owner, including the District Declarant, shall be a member of the Association. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Unit or Unplatted Parcel owned. Any person or entity who holds any interest merely as a security for the performance of any obligation shall not be a member. Any prohibited separate transfer shall be void. Any transfer of title shall operate automatically to transfer the membership in the District Association appurtenant thereto to the new Owner thereof. The membership of an Owner shall not be refused, waived or surrendered, but voting rights and rights of use and enjoyment of the Common Area may be regulated or suspended as provided in these Articles of Incorporation, the District Declaration, the Bylaws and the rules and regulations of the District Association.

In the event that joint or multiple Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner or Owners cast a vote on behalf of a particular Unit or Unplatted Parcel, it shall thereafter be conclusively presumed for all purposes that he was or they were acting with the authority and consent of all other Owners thereof. In the event more than the appropriate number of votes are cast for a particular Unit or Unplatted Parcel, none of said votes shall be counted and said votes shall be deemed void.

Section 1. Name. The name of the District Association shall be SUMMER LAKES DISTRICT ASSOCIATION, INC. ("District Association").

Section 2. Principal Office. The principal office of the District Association in the State of Florida shall be located in Brevard County. The District Association may have such other offices, either within or outside the State of Florida, as the Board of Directors may determine or as the affairs of the District Association may require.

Section 3. Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration of Covenants, Conditions, Easements, Reservations and Restrictions for Summer Lakes Residential District, recorded or to be recorded in the public records of Brevard County, Florida, as supplemented, restated, renewed, extended or amended, from time to time ("District Declaration"), unless the context shall otherwise require.

Section 4. Corporate Seal. The seal of the corporation shall bear the name of the District Association, the word "Florida", and the year of incorporation.

Article II

District Association:

Membership, Meeting, Quorum, Voting, Proxies

Section 1. Membership. The District Association shall have two (2) classes of membership, Class "A" and Class "B", as more fully set forth in the District Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference. Meetings of the District Association shall be of the members of the District Association and the members shall cast their votes as provided in the District Declaration on those matters requiring a vote of the membership of the District Association. Notwithstanding the foregoing, as to all matters pertaining to the Community Association related to voting by the District, the Voting Member of the District as defined in the District Declaration shall be responsible for casting all votes of the membership of the District Association on all matters requiring the vote of the membership of the District Association, unless otherwise expressly specified in the Community Declaration or the Bylaws of the Community Association. Such Voting Member shall be entitled to exercise such votes as he in his discretion, deems appropriate.

Section 2. Place of Meetings. Meetings of the District Association shall be held at the principal office of the District Association or at such other suitable place convenient to the members as may be designated by the Board of Directors either within the District Property or as

CFN 2003094690

OR Book/Page: 4866 / 0307

convenient thereto as possible and practical.

Section 3. Annual Meetings. Annual meetings of the District Association shall be set by the Board of Directors from time to time, provided the first meeting of the District Association occurs no earlier than one year after the District Association is incorporated. The election of directors, if one is required to be held, shall be held at, or in conjunction with, the annual meeting.

Section 4. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the District Association if so directed by resolution of a majority of a quorum of the Board of Directors. In addition, after the Class "B" Control Period has terminated, it shall be the duty of the President to call a special meeting of the District Association if a petition is signed by members representing at least ten percent (10%) of the total votes of the District Association requesting a special meeting. The notice of any special meeting shall state the date, time and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. Written or printed notice stating the time and place of any meeting of the members shall be published in such a manner as is reasonably calculated to provide such notice to each member at least forty-eight (48) hours in advance of any meeting, but in no event shall such publication provide less notice than that required by Florida Statute §720.306 (2001), as amended from time to time. When required by statute or these Bylaws, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 6. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any members may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member shall be deemed a waiver by such member of notice of the time, date and place thereof and of the business transacted thereat (if notice of same is required by statute or by these Bylaws), unless such member specifically objects to lack of proper notice at the time the meeting is called to order, or in the case where the business transacted thereat is required to be contained in the notice, such member specifically objects to proper notice before such business is put to a vote.

Section 7. Adjournment of Meetings. If any meeting of the District Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for

reconvening the meeting after adjournment, notice of the time and place for reconvening the meeting shall be given to members in the manner prescribed for regular meetings.

The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum, provided that members or their proxies representing at least fifteen percent (15%) of the total votes of the District Association remain in attendance, and provided further that any action taken is approved by members or their proxies representing at least a majority of the number of votes of the District Association required to constitute a quorum.

Section 8. Voting. The voting rights of the members shall be as set forth in the District Declaration as supplemented and amended from time to time, and such voting rights provisions are specifically incorporated herein.

Section 9. Designation of Voting Representative. If a Unit or Unplatted Parcel is owned by one person or entity, its rights to vote shall be established by the record title to the Unit or Unplatted Parcel. If a Unit or Unplatted Parcel is owned by more than one person or entity, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate signed by all of the record Owners (as defined in the District Declaration) of the Unit or Unplatted Parcel and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned by a general or limited partnership, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by one of the general partners and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned by a corporation, the person entitled to cast the votes for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by the president or vice president of the corporation and filed with the Secretary of the District Association. If a Unit or Unplatted Parcel is owned in trust, the person entitled to vote for the Unit or Unplatted Parcel shall be designated by a certificate of appointment signed by the trustee of record for the trust and filed with the Secretary of the District Association. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Unit or Unplatted Parcel concerned. A certificate designating the person entitled to cast the votes of a Unit or Unplatted Parcel may be revoked in writing by any Owner thereof; provided, however, that no Unit or Unplatted Parcel shall vote in excess of the voting rights allocated to that Unit or Unplatted Parcel in the District Declaration.

Section 10. Approval or Disapproval of Matters. Whenever the decision of an Owner is required upon any matter, whether or not the subject of a District Association meeting, such decision shall be expressed by the same person who would cast the votes of such Owner if at a District Association meeting, unless the joinder of record Owners is specifically required by the District Declaration, the Articles of Incorporation of the District Association or these Bylaws.

Section 11. Restraint Upon Assignment of Shares in Assets. The share of a member in the funds and assets of the District Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to that member's Unit or Unplatted Parcel.

Section 12. Proxies. A member may authorize another person to act for him by proxy. Such proxy must be executed in accordance with, and shall be subject to the limitations set forth in, Florida Statutes §720.306 (2001), as amended from time to time. Every proxy shall be revocable at the pleasure of the member executing it and shall expire upon the transfer of title to the Unit or Unplatted Parcel giving rise to the voting rights to which the proxy pertains. The authority of the holder of a proxy to act shall not be revoked by the incompetence or death of the member who executed the proxy unless, before the authority is exercised, written notice of an adjudication of such incompetence or of such death is received by the District Association officer responsible for maintaining the list of members.

Section 13. Majority. As used in these Bylaws, the term "majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty percent (50%) of the total number.

Section 14. Quorum. Except as otherwise provided in these Bylaws or in the District Declaration, the presence in person or by proxy of the members representing thirty percent (30%) of the total votes in the District Association shall constitute a quorum at all meetings of the District Association. Any provision in the District Declaration concerning quorums is specifically incorporated herein.

Section 15. Conduct of Meetings. The President, or in his absence the Vice President, shall preside over all meetings of the District Association, and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting, as well a record of all transactions occurring at the meeting.

Section 16. Action Without A Meeting. Any action required by law to be taken at a meeting of the members or any action which may be taken at a meeting of the members, may be taken without a meeting if written consent setting forth the action so taken is signed by all of the members entitled to vote with respect to the subject matter thereof; and any such consent shall have the same force and effect as a unanimous vote of the members.

Article III

Board of Directors: Number, Powers, Meetings

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the District Association shall be governed by the Board of Directors, each of whom shall have one (1) vote. Except with respect to directors appointed by the District Declarant, the directors shall be members or spouses of such members; provided, however, no person and his or her spouse may serve on the Board of Directors at the same time. In the case of a member which is a corporation, partnership, or other legal entity, the person designated in writing by certificate filed with the Secretary of the District Association as the voting representative (pursuant to Article II, Section 9 hereof) of such corporation, partnership or other legal entity shall be eligible to serve as a director.

Section 2. Directors During Class "B" Control. During the Class "B" Control Period (as defined in the District Declaration), all members of the Board of Directors shall be appointed by the District Declarant acting in its sole discretion and shall serve at the pleasure of the District Declarant.

Section 3. Number of Directors. During the Class "B" Control Period the number of directors on the Board of Directors shall be not less than three (3) nor more than five (5). Thereafter the number of directors on the Board of Directors may be increased upon approval of a majority of the members, provided that there shall always be an odd number of directors. The initial Board of Directors shall consist of three (3) members appointed by the District Declarant. In the event the Declarant elects to have five (5) directors during the Class "B" Control Period, then three (3) of the members shall be appointed by the Declarant and two (2) of the members shall be elected by the members, with the members appointed by the Declarant serving until their resignation or replacement and the members elected by the members serving two (2) year terms (except as otherwise expressly provided in Section 5 of this Article III hereinbelow). The Declarant may appoint additional directors in its sole discretion to the Board of Directors from time to time to replace directors appointed by it, to fill vacancies of directors appointed by it, or to fill additional positions on the Board of Directors due to its expansion in excess of five (5) members.

Section 4. Nomination of Directors. Except with respect to directors entitled to be selected by the District Declarant as provided in Section 3 of this Article, nominations for election of directors to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the District Association appointed by the Board of Directors. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to such annual meeting of the members at which members other than the District Declarant are entitled to elect members to the Board of Directors. Members of the Nominating Committee shall serve a term of one (1) year or until their successors are appointed. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of positions to be filled. Nominations shall also be permitted from the floor. All candidates shall have a reasonable opportunity to communicate their qualifications to the members and to solicit votes.

Section 5. Election and Term of Office. Within thirty (30) days after termination of the Class "B" Control Period, the District Association shall call a special meeting at which the members shall elect all directors of the Board of Directors; provided, however, in the event the Declarant elected to have five (5) directors during the Class "B" Control Period, then only the directors appointed by the Declarant shall be elected at such special meeting and the two (2) directors previously elected by the members shall remain as directors until the expiration of their terms. A majority of the directors shall be elected to serve a term of two (2) years, and the remaining directors shall be elected to serve a term of one (1) year (when two (2) directors have been elected by the members during the Class "B" Control Period pursuant to Section 3 of this Article III, they shall be deemed to have been elected to terms ending one (1) year after the date

of such special meeting). Upon the expiration of the initial term of office of each such director, a successor shall be elected to serve a term of two (2) years. Thereafter, all directors shall be elected to serve two (2) year terms.

At any election of directors by members, each member shall be entitled to cast with respect to each vacancy to be filled on the Board of Directors, as many votes as it is entitled to vote under the terms of the District Declaration. There shall be no cumulative voting. The candidates receiving the largest number of votes shall be elected to fill the positions for which the election is held. Directors elected by the members shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms.

Section 6. Removal of Directors and Vacancies. Except for District Declarant-appointed directors, a director may be removed, with or without cause, by the vote of a majority of the members. Any director elected by members other than the District Declarant whose removal is sought, shall be given notice prior to any meeting called for that purpose. At such meeting as the director is removed, a successor shall be elected by the members to fill the vacancy for the remainder of the term of such director. Any director appointed by the District Declarant may only be removed by the District Declarant, in its sole discretion, and the District Declarant shall be entitled to appoint a director to fill the vacancy created.

Any director elected by the members who has three (3) consecutive unexcused absences from Board of Directors meetings or who is delinquent in the payment of any assessment or other charge due the District Association for more than thirty (30) days may be removed by a majority of the directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board of Directors to fill the vacancy for the remainder of the term. The foregoing shall not apply to directors appointed by District Declarant to the Board of Directors.

Except in the case of directors appointed by District Declarant, in the event of the death, disability or resignation of a director, a vacancy may be declared by the Board of Directors, and it may appoint a successor. Any director appointed by the Board of Directors shall serve for the remainder of the term of the director who vacated the position. In the event of death, disability or resignation of a director appointed by the District Declarant, the District Declarant shall be entitled to appoint a director to fill the vacancy created, and such director shall serve for the remainder of the term of the director who vacated the position.

B. Meetings.

Section 7. Organizational Meetings. The first meeting of the Board of Directors following each annual meeting of the District Association shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board of Directors.

Section 8. Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors.

Notice of the time and place of the meetings of the Board of Directors shall be communicated to directors not less than forty-eight (48) hours prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 9. Special Meetings. Special meetings of the Board of Directors shall be held when called by written notice signed by the President or by any two (2) directors of the Board of Directors if the Board of Directors is three members or by any three (3) directors of the Board of Directors if the Board of Directors is five members. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each director of the Board of Directors by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; or (d) by telegram, telecopy, charges prepaid. All such notices shall be given at the director's telephone number or sent to the director's address as shown on the records of the District Association. Notices shall be delivered at least forty-eight (48) hours before the time set for the meeting.

Section 10. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 11. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the votes of a majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board of Directors cannot be held because a quorum is not present, a majority of the directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 12. Compensation. No director shall receive any compensation from the District Association for acting as such unless approved by members representing a majority of the total votes of the District Association at a regular or special meeting of the District Association; provided any director may be reimbursed for expenses incurred on behalf of the District Association upon approval of a majority of the other directors.

Section 13. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors, and the Secretary shall keep a minute book of meetings of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and all transactions and proceedings occurring at such meetings. Meetings may be conducted by telephone and shall be considered as any other meeting, provided the directors participating in the meeting are able through telephone connection to hear and to be heard.

Section 14. Open Meetings; Notice to Members. Subject to the provisions of Section 15 of this Article and the provisions of Florida law, all meetings of the Board of Directors shall be open to all members, but members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on his or her behalf by a director. In such case, the President may limit the time any member may speak. Except in an emergency, written or printed notice stating the time and place of any meeting of the Board of Directors shall be published in such a manner as is reasonably calculated to provide such notice to each member at least forty-eight (48) hours in advance of any meeting, which publication may be accomplished by posting such notice in a conspicuous place in the District, publishing in a local newspaper, providing a schedule of such meetings or such other method as is determined by the Board of Directors. When required by the provisions of Florida law, the purpose or purposes for which the meeting is called shall be stated in the notice.

If mailed, the notice of a meeting shall be deemed to be delivered when deposited in the United States mail addressed to the member at his address as it appears on the records of the District Association, with postage thereon prepaid.

Section 15. Action Without a Formal Meeting. Any action to be taken or that may be taken at a meeting of the Board of Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the directors of the Board of Directors, and such consent shall have the same force and effect as a unanimous vote.

C. Powers and Duties.

Section 16. Powers. The Board of Directors shall be responsible for the affairs of the District Association and shall have all of the powers and duties necessary for the administration of the District Association's affairs and may do all acts and things as provided by law as are not by the District Declaration, the Articles of Incorporation or these Bylaws directed to be done and exercised exclusively by the membership generally.

The Board of Directors shall delegate to one of its members the authority to act on behalf of the Board of Directors on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board of Directors.

a. preparation and adoption of annual budgets, including provisions for establishing reserve funds for replaceable assets, in which there shall be established the contribution of each Owner to the Common Expenses;

b. making assessments to defray the Common Expenses, establishing the means and methods of collecting such assessments, and establishing the period of the installment payments of assessments; provided, unless otherwise determined by the Board of Directors, the Regular Assessment shall be payable in one (1) annual payment in advance on the first day of January of each year;

Within sixty (60) days after the close of the Association's fiscal year, annual financial reports in conformity with Florida Statutes §617.303(7) (1999), as amended from time to time, shall be prepared. Such reports shall be made available to all members upon request at no charge. In addition to such financial reports, a

The Board of Directors may engage the services of an accountant to prepare, review or audit such reports as determined by the Board of Directors and any expenses in connection therewith shall be Common Expenses.

No remuneration shall be accepted by the managing agent from vendors, independent contractors or others providing goods or services to the District Association, whether in the form of commissions, finder's fees, service fees, prizes, gifts or otherwise; anything of value received shall benefit the District Association; provided, nothing herein shall prohibit the managing agent from earning commissions for services performed by the managing agent in leasing Units on behalf of Owners of such Units.

Section 19. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of maintenance, repair or restoration of the Common Area without the approval of the members of the District Association. The Board of Directors shall also have the power to borrow money for other purposes; provided, the Board of Directors shall obtain the approval of members representing a majority of the total votes of the District Association in the event that the proposed borrowing is for the purpose of modifying, improving or adding amenities and the total amount of such borrowing exceeds or would exceed five percent (5%) of the budgeted gross expenses of the District Association for that fiscal year. Notwithstanding anything to the contrary contained in the District Declaration, these Bylaws or the Articles of Incorporation, during the Class "B" Control Period, no mortgage lien shall be placed on any portion of the Common Area owned by the District Association without the affirmative vote or written consent, or any combination thereof, of members representing at least a majority of the total votes of the District Association other than District Declarant.

Without limiting the foregoing, this right shall entitle the Board of Directors on behalf of the District Association to enter into common management, operational or other agreements with trusts, condominiums, cooperatives or Districts and other owners or associations, both within and without the Properties. Such agreements shall require the consent of a majority of all directors of the District Association.

Section 21. Enforcement. The Board of Directors shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend an Owner's (and any tenant's, occupant's, guest's or invitee's) right to use the Common Area or Areas of Common Responsibility for violation of any duty imposed upon such Owner under the District Declaration, the Articles of Incorporation, these Bylaws or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the District Association or the Board of Directors to limit ingress and egress to or from a Unit or Unplatted Parcel. In the event that any tenant, occupant, guest or invitee of a Unit or Unplatted Parcel violates the District Declaration, Articles of Incorporation, Bylaws or a rule or regulation

and a fine is imposed, the fine may first be assessed against such person; provided, however, if the fine is not paid by such person within the time period set by the Board of Directors, the Owner of such Unit or Unplatted Parcel shall pay the fine upon notice from the District Association. All fines and suspensions imposed pursuant to this paragraph shall be imposed in accordance with the applicable requirements of the Florida Statutes. The failure of the Board of Directors to enforce any provision of the District Declaration, Articles of Incorporation, Bylaws or any rule or regulation shall not be deemed a waiver of the right of the Board of Directors to do so thereafter.

(a) Notice. Prior to imposition of any sanction hereunder for any violation other than the failure to pay assessments, the Board of Directors or its delegate (or the Covenants Committee, if any) shall serve the alleged violator with written notice by mail, hand delivery or other delivery at the address of the alleged violator contained in the records of the District Association, or if no address of the alleged violator is on record, then by posting written notice at the site of the alleged violation describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than fourteen (14) days within which the alleged violator may present a written request to the Board of Directors (or the Covenants Committee, if any) for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within the period of time provided in (iii) for requesting a hearing. If a timely challenge is not made, the sanction stated in the notice shall be imposed. The sanction may include, without limitation, sanctions that will automatically be imposed by the District Association in the event the violation is not abated or recurs within a stated period from the alleged violation. Copies of notices and proof of notice shall be placed in the records of the District Association. Proof of notice shall be deemed adequate if a copy of the notice, together with statement of the date and manner of delivery, is entered by the officer, director or agent who delivered such notice, or if the alleged violator requests a hearing within the time period stated in the notice.

(b) Hearing. If a hearing is requested in a timely manner, the hearing shall be held before a committee of at least three members appointed by the Board of Directors who are not officers, directors or employees of the District Association, affording the Owner a reasonable opportunity to be heard. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, recommended by the committee to be imposed by the Board of Directors. In the event the committee, by majority vote, does not approve a proposed fine, suspension or other sanction, it may not be imposed.

(c) Appeal. Following a hearing, the violator shall have the right to appeal the decision to the Board of Directors. To perfect this right, a written notice of appeal must be received by the manager, President or Secretary of the District Association within ten (10) days after the hearing date. The decision of the Board of Directors shall be final.

(d) Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the District Association, acting through the Board of Directors, may elect to enforce any provision of the District Declaration, the Articles of Incorporation, these Bylaws, or the rules and regulations of the District Association by self-help (specifically including, but not

limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation, to recover monetary damages, or to seek any other appropriate remedy, or any combination of the foregoing, without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorneys' and paralegals' fees incurred by the District Association, whether suit be brought or not, and including those incurred on appeal, if any.

Section 6. Agreements, Contracts, Deeds, Leases, Checks, Etc. All agreements, contracts, deeds, leases, checks, and other instruments of the District Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by

resolution of the Board of Directors.

Article V
